Financial Highlights:

We are grateful to each of you, who support Cherub's Inn through monthly giving and one-time gifts. Your generosity continues to make a meaningful difference! This collaboration allows us to deepen our impact in providing important care to young mothers and their children

In this first quarter of 2026 we received a new grant from the City of Mission "Community Enhancement Grant".

Spring is upon us and this past quarter has been one of continuous change, connection, and advanced planning as we celebrated meaningful milestones while also laying the groundwork for future expansion of our services.

Daycare Centre

Bringing Potential to Life

As Cherub's Inn continues to grow, our daycare remains an important part of serving both our maternity home and the wider community.

Our center provides a safe, nurturing environment where children can learn through play and grow in preparation for school. We currently operate a 3-5 program and an infant/toddler program, with capacity for up to 28 children.

This season, we were excited to welcome three new little ones into our daycare family. We are grateful for the trust families place in us and look forward to continuing to care for these little ones!

Immediate Hopes and Plans

- Secure a 'family space' where fathers of our littles from the Maternity House can spend quality time with their child.
- Welcome more young moms and their babies into our maternity home.
- Secure ongoing funding for staffing to ensure sustainability and optimal support for our residents.
- Continue advancing the work toward launching our Infant Care Nursery.

Give the Gift of Hope

and a future for a mother and their child

You can now make a donation to Cherub's Inn on behalf of someone. Offer the gift of hope, love, and a new beginning to young mom and little one in need of a strong foundation to bring their potential to life! Our fillable gift card is found on our website at, www.cherubsinn.ca/donate

The work being carried out by Cherub's Inn would not be possible without the generous support and collaboration of people like you, foundations and Corporations.
With sincere gratitude, we thank you!
